

B73

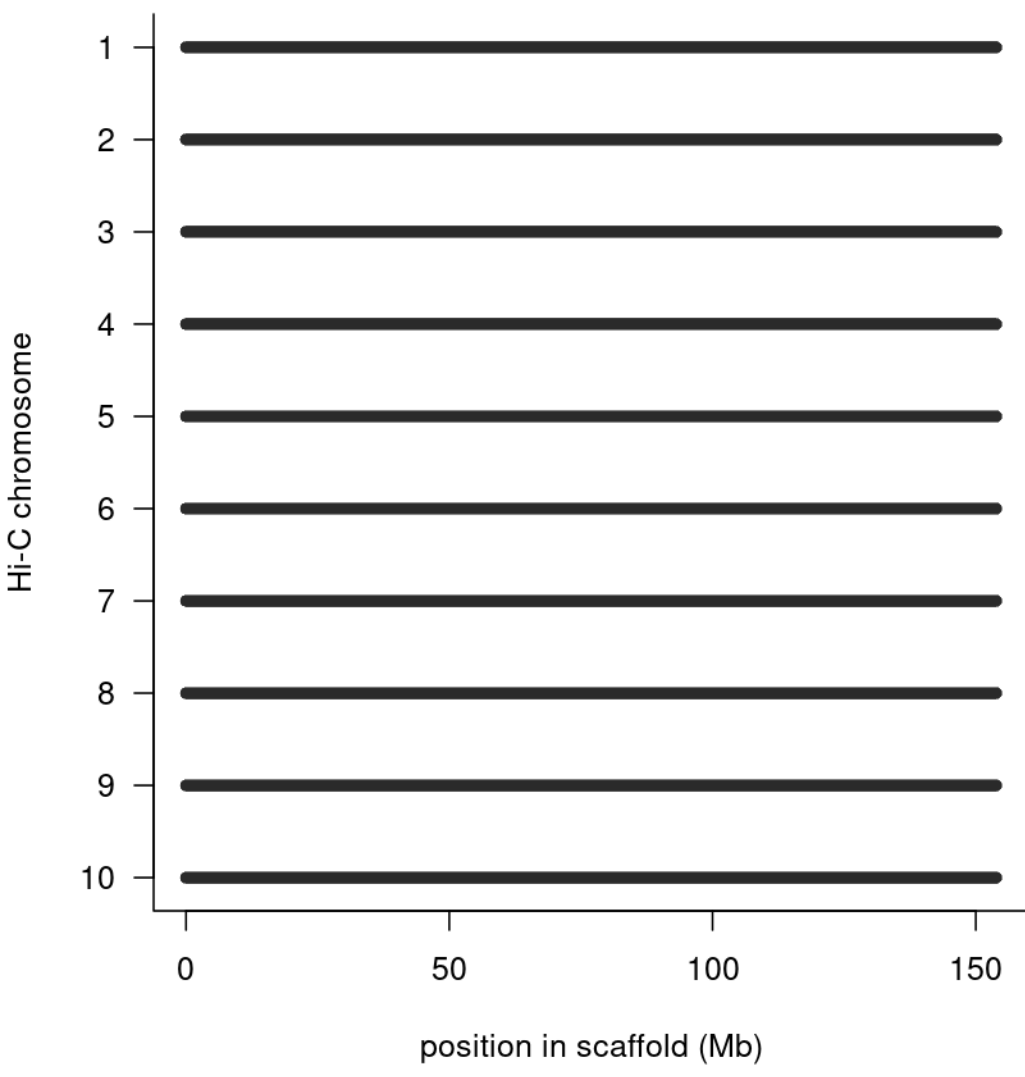

Physical positions of 1 kb single-copy tags
from major chromosome

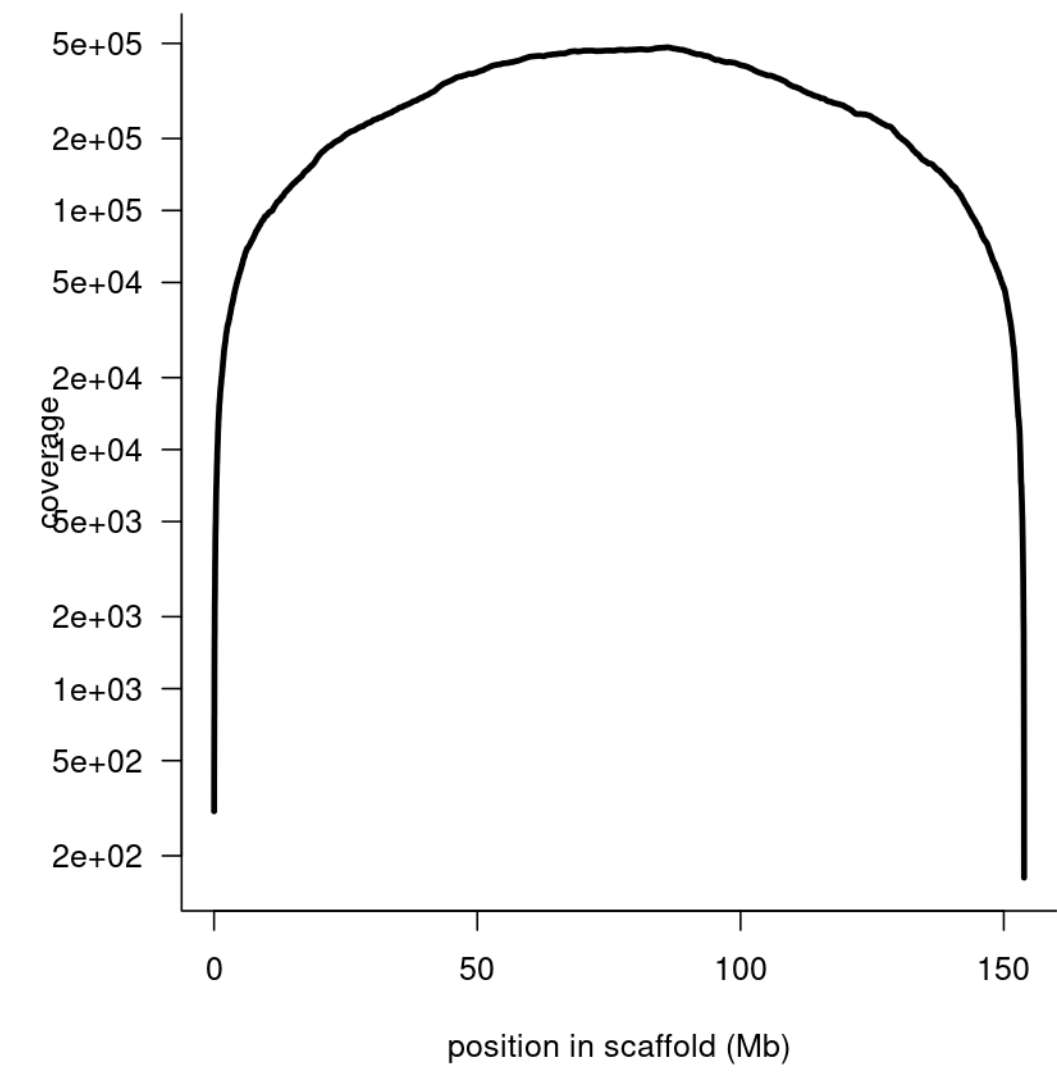

Hi-C based chromosome arm assignment

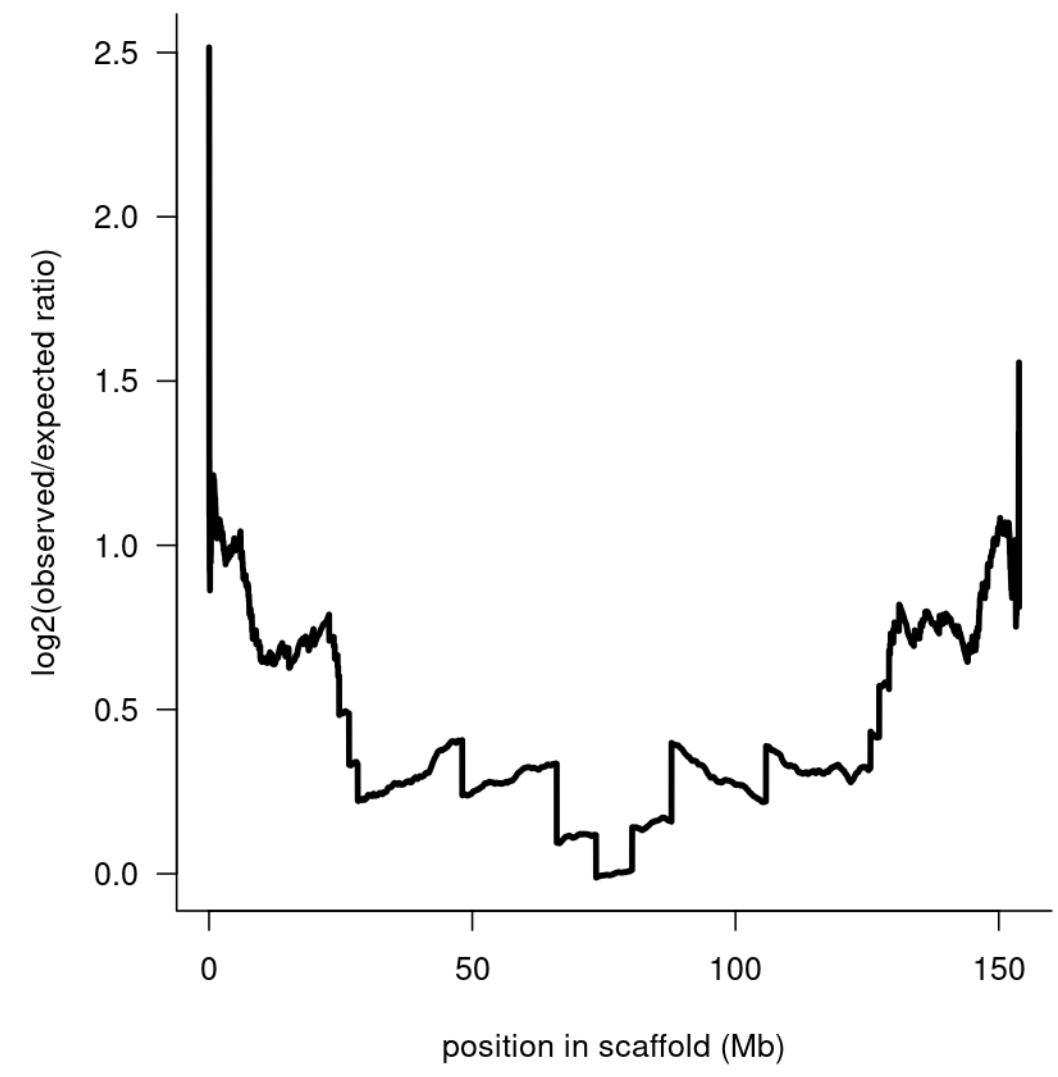

Interchromosomal Hi-C links

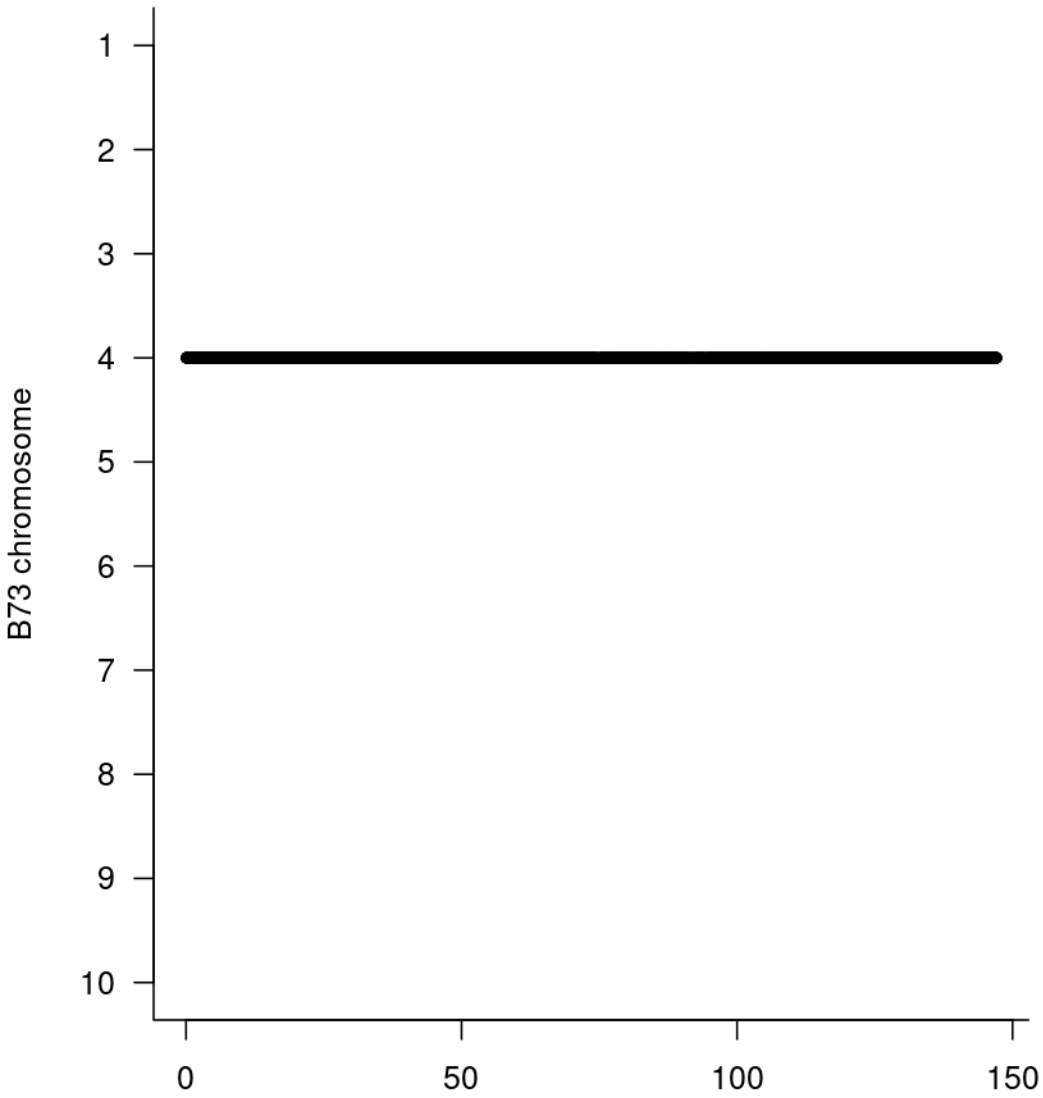

Intrascaffold physical Hi-C coverage

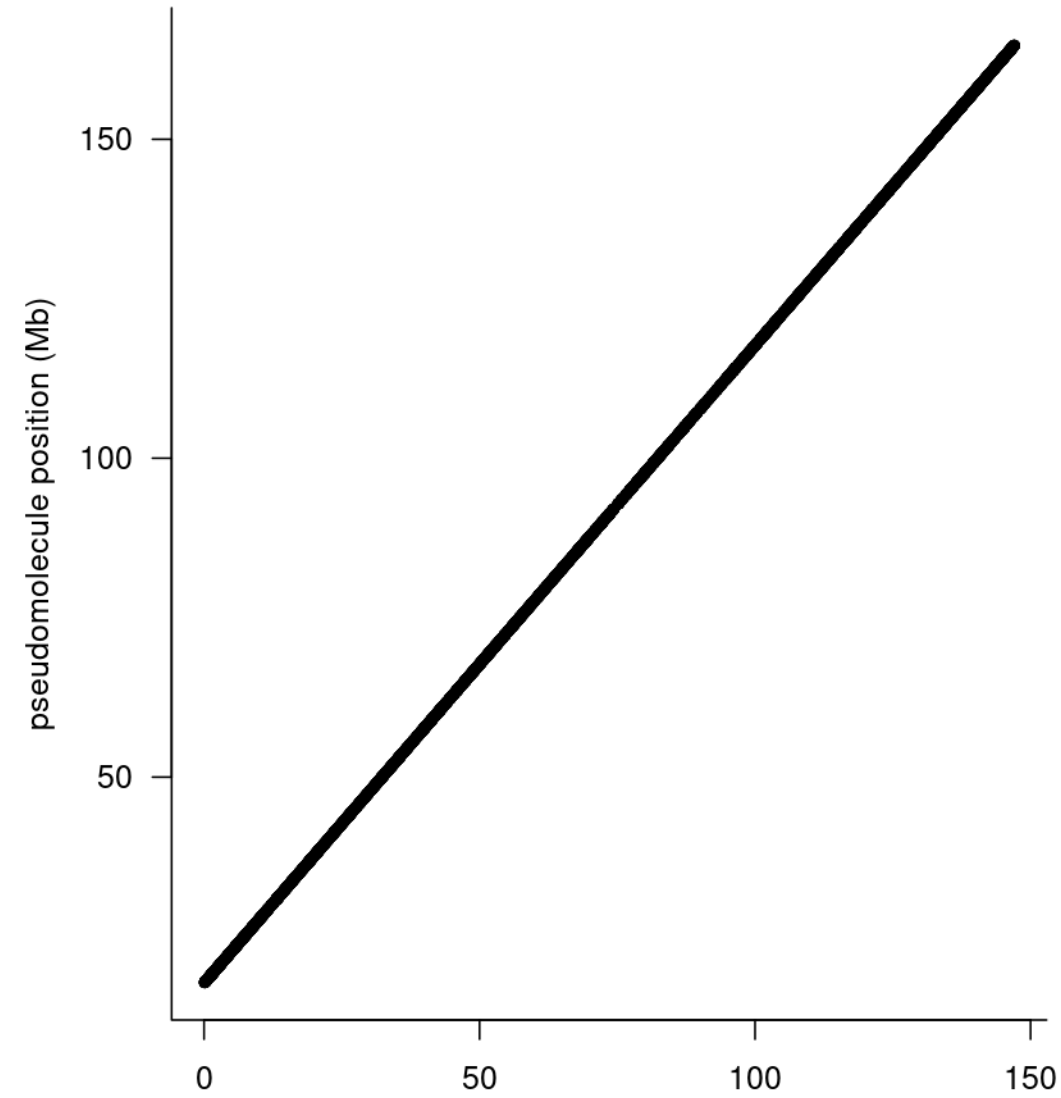

Hi-C expected vs. observed coverage

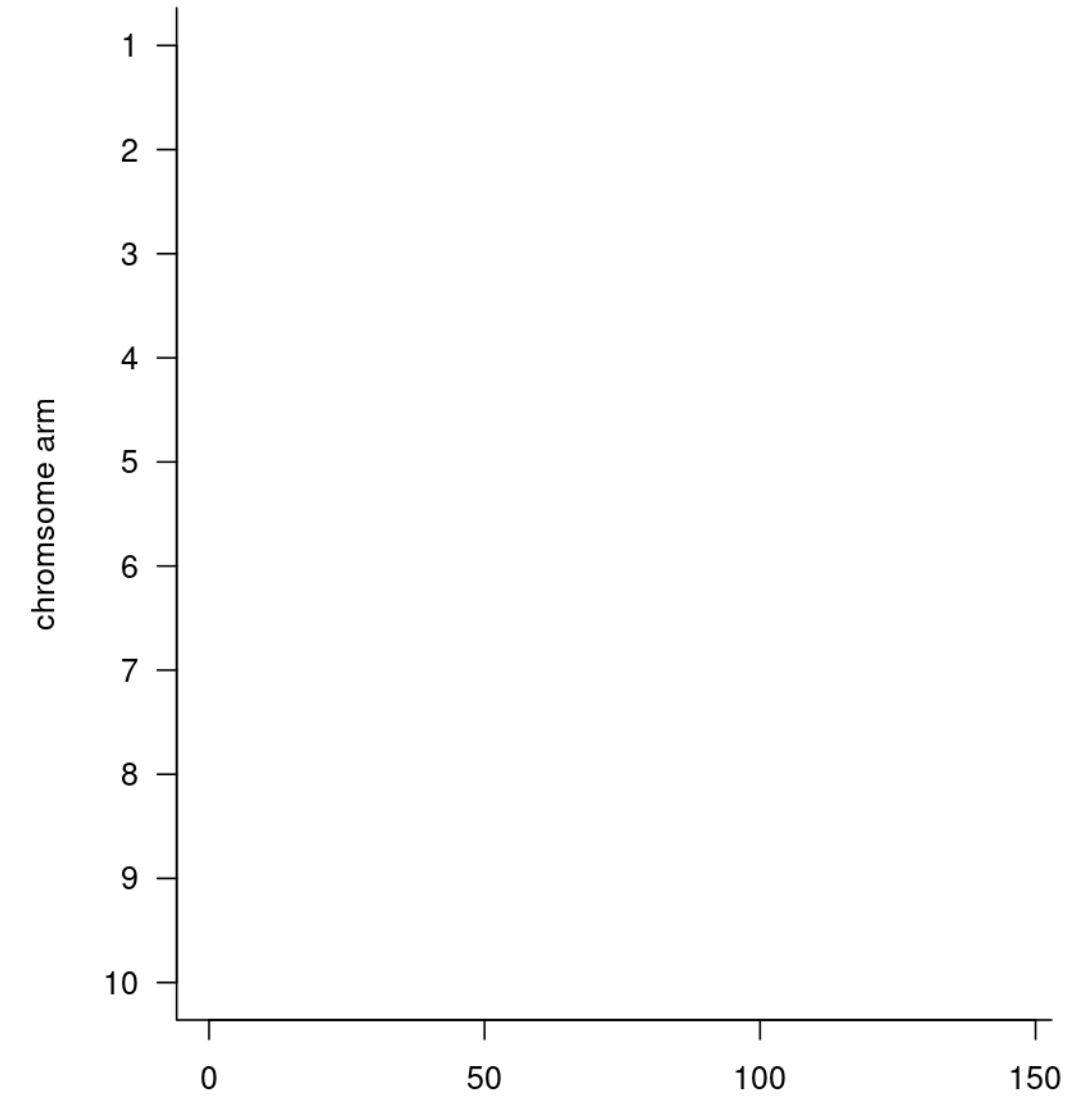

B73

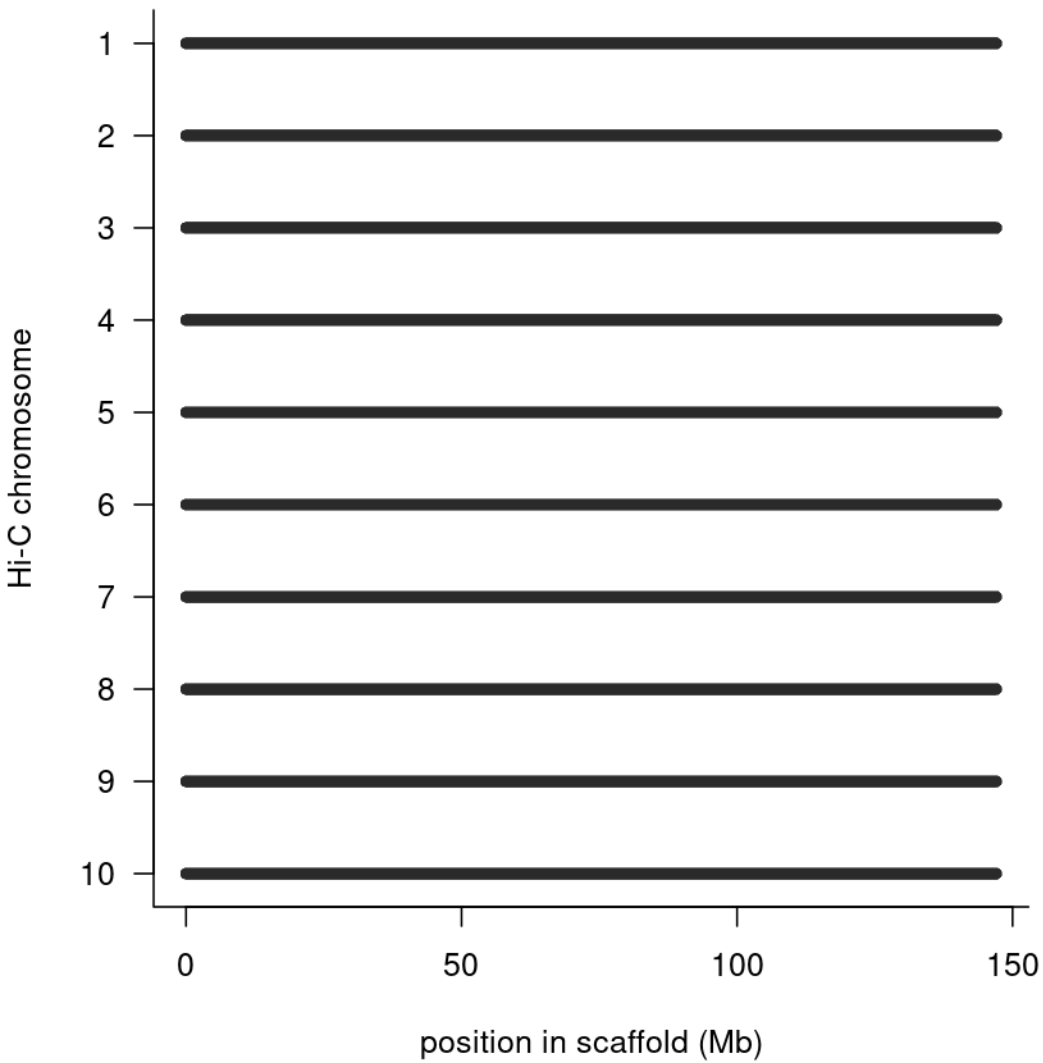

Physical positions of 1 kb single-copy tags
from major chromosome

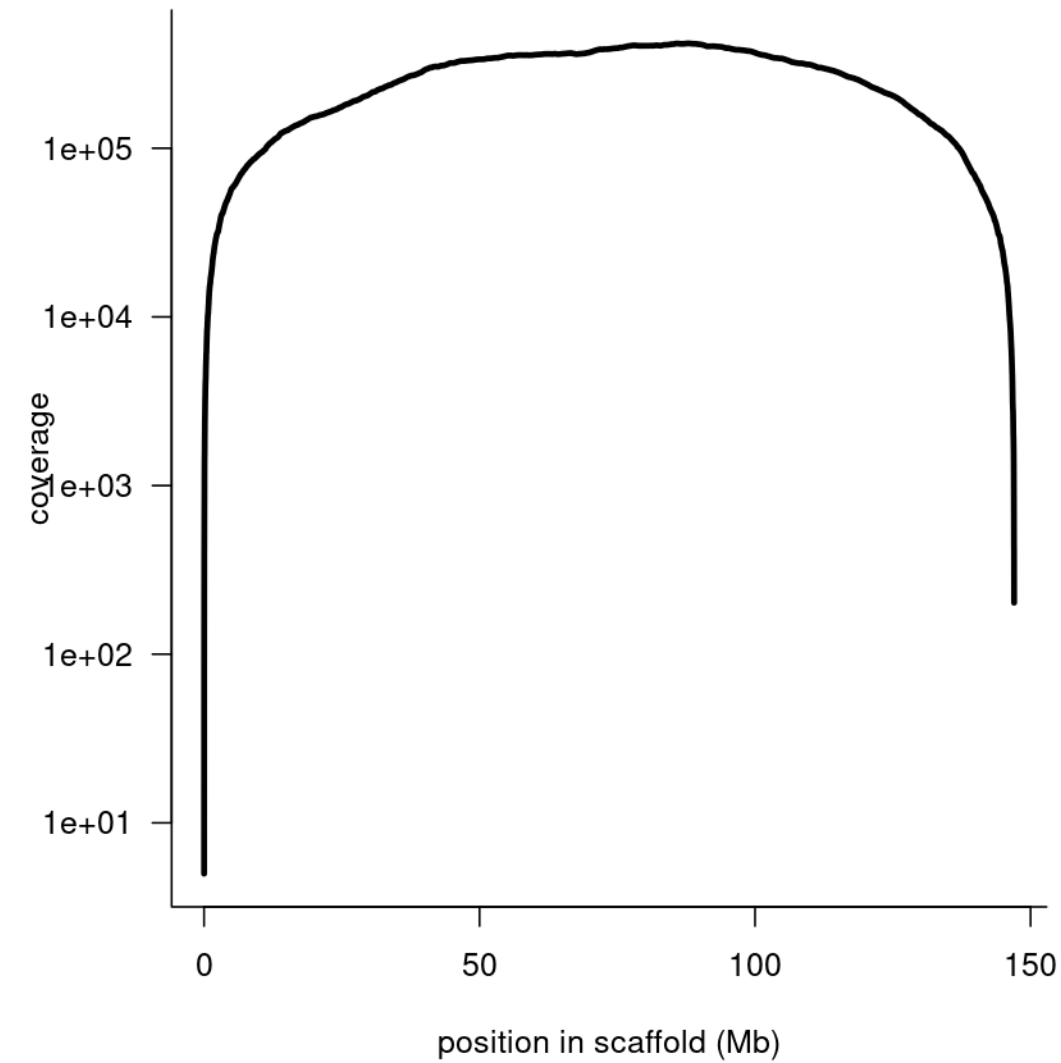

Hi-C based chromosome arm assignment

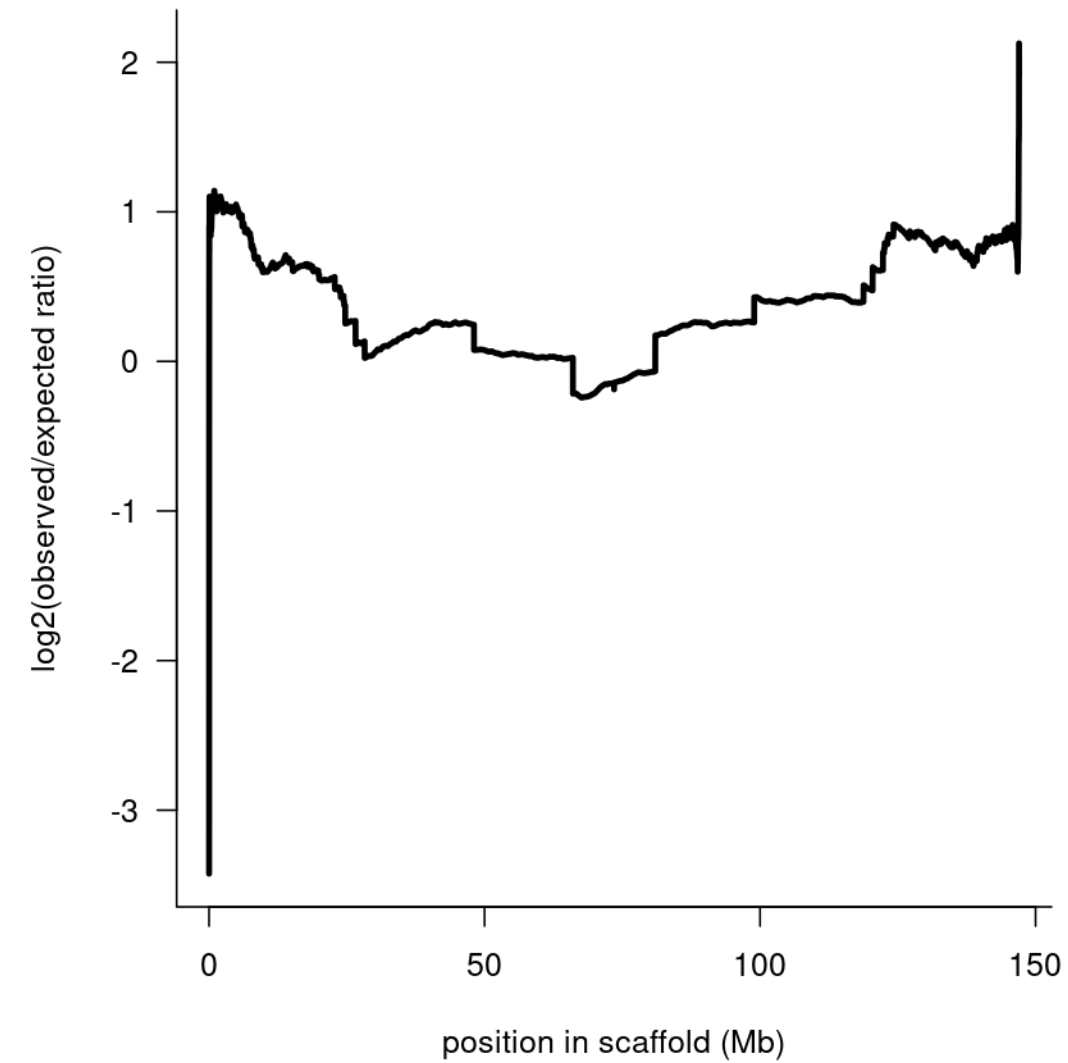

Interchromosomal Hi-C links

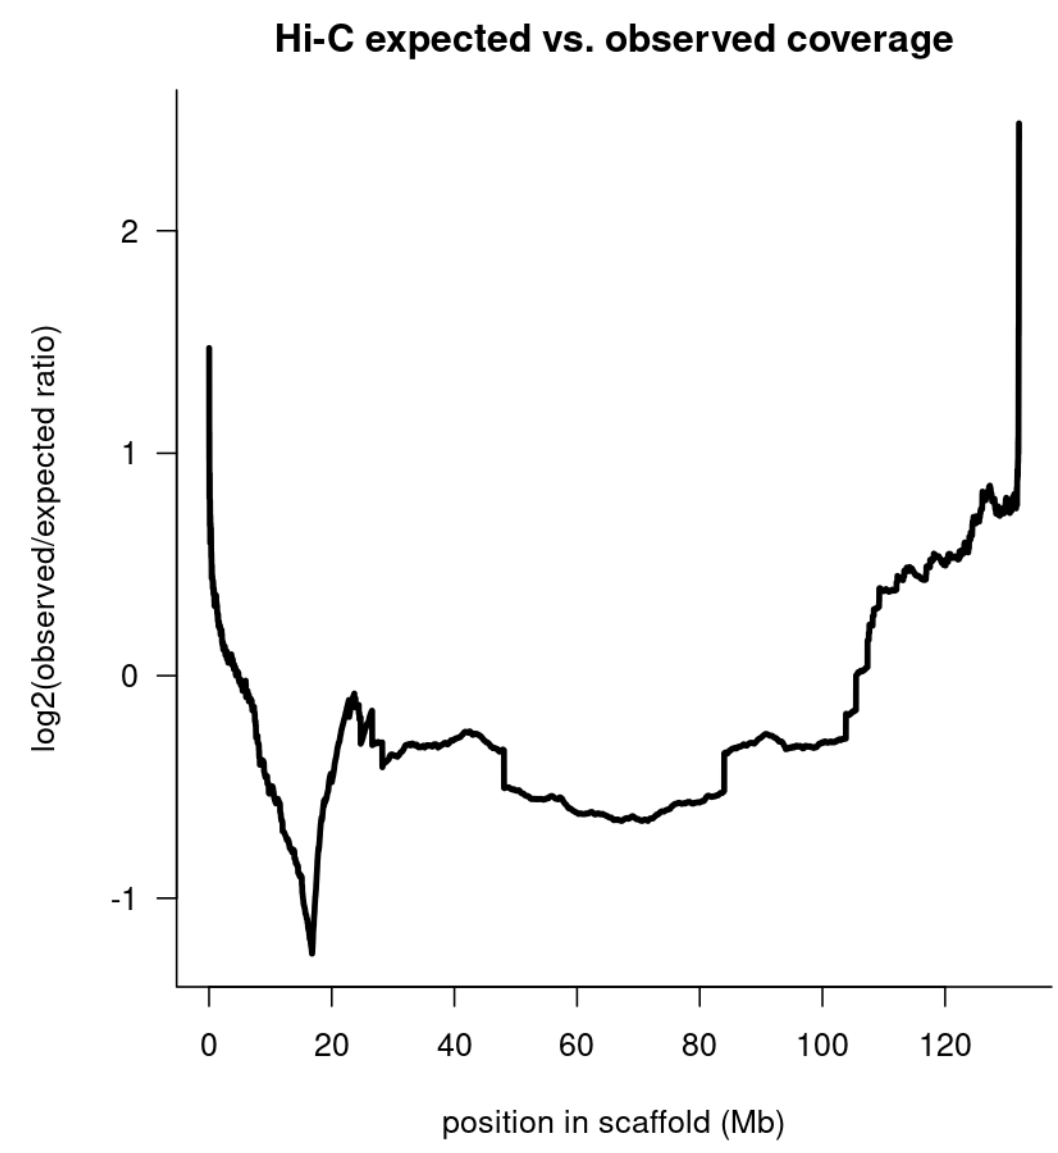

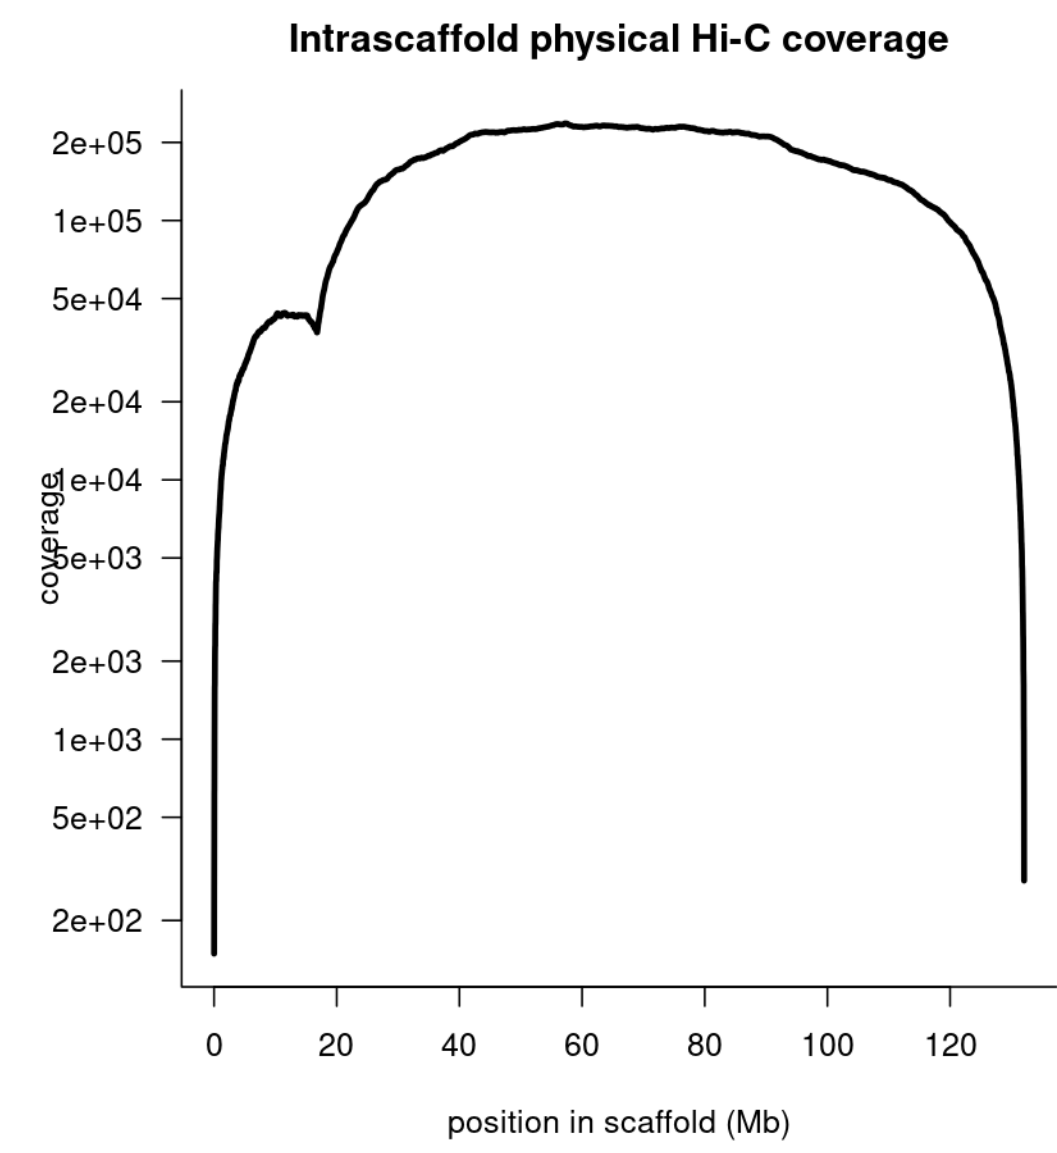

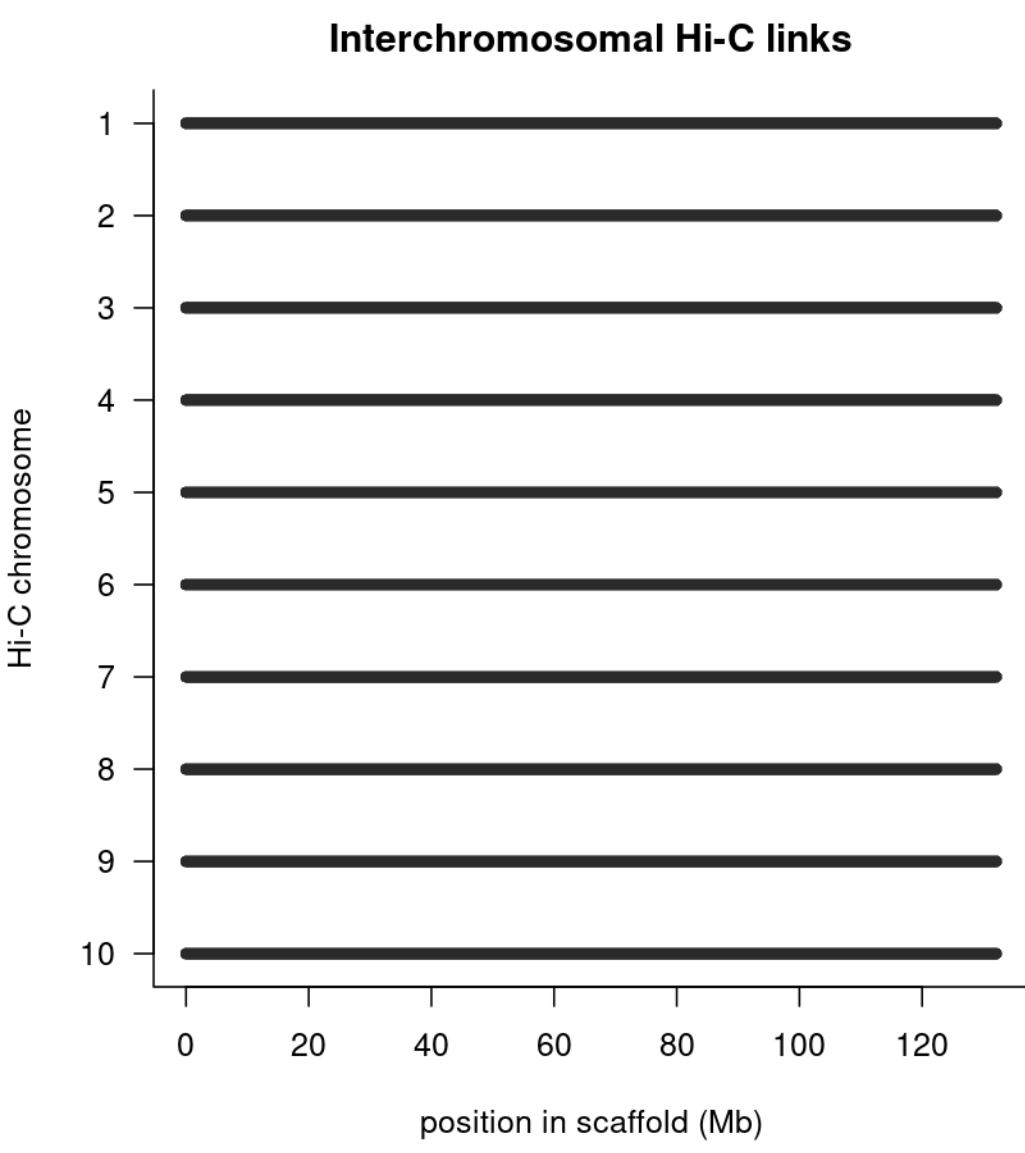

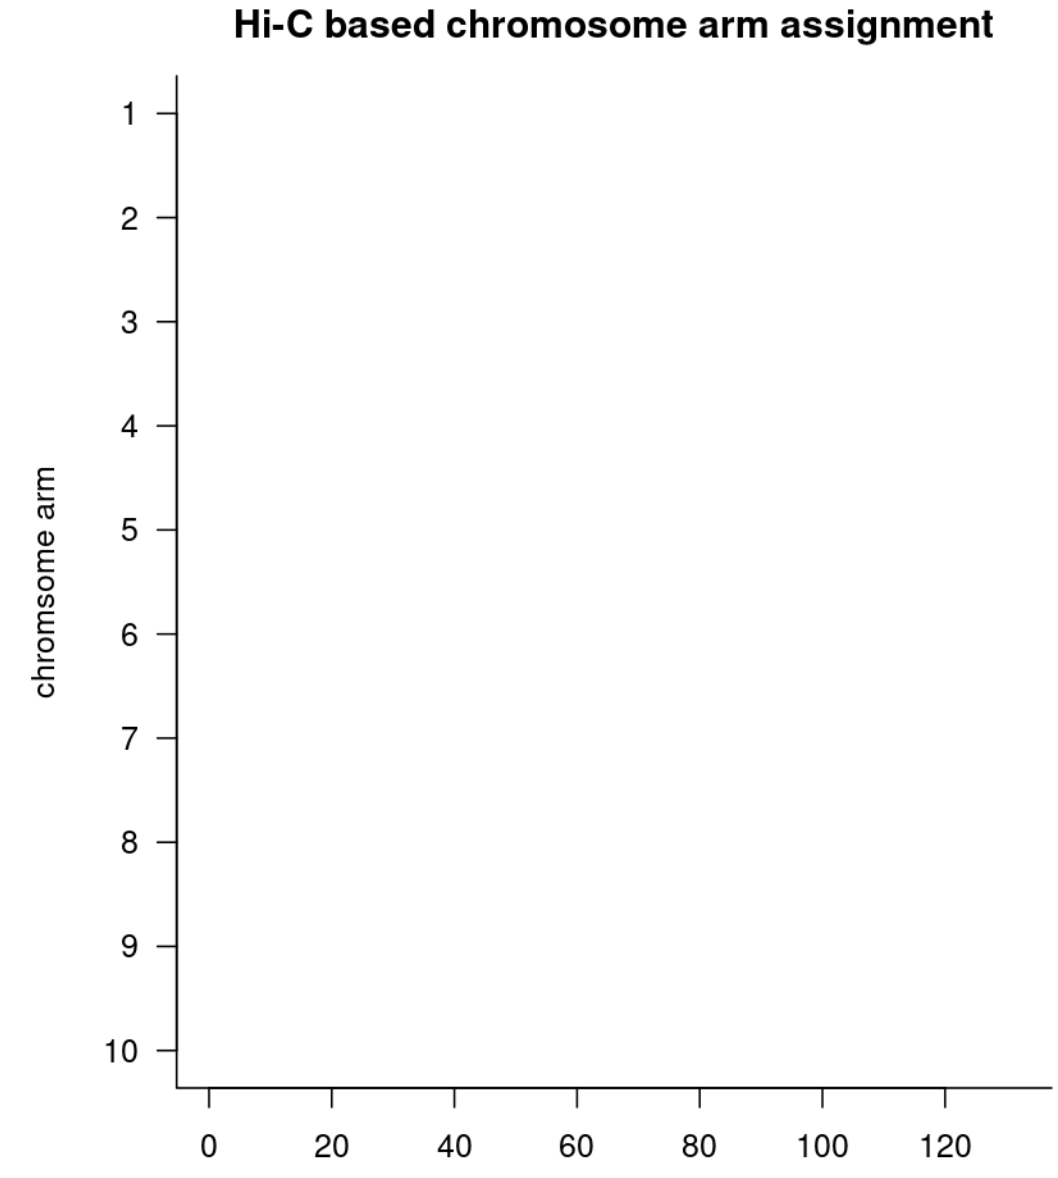

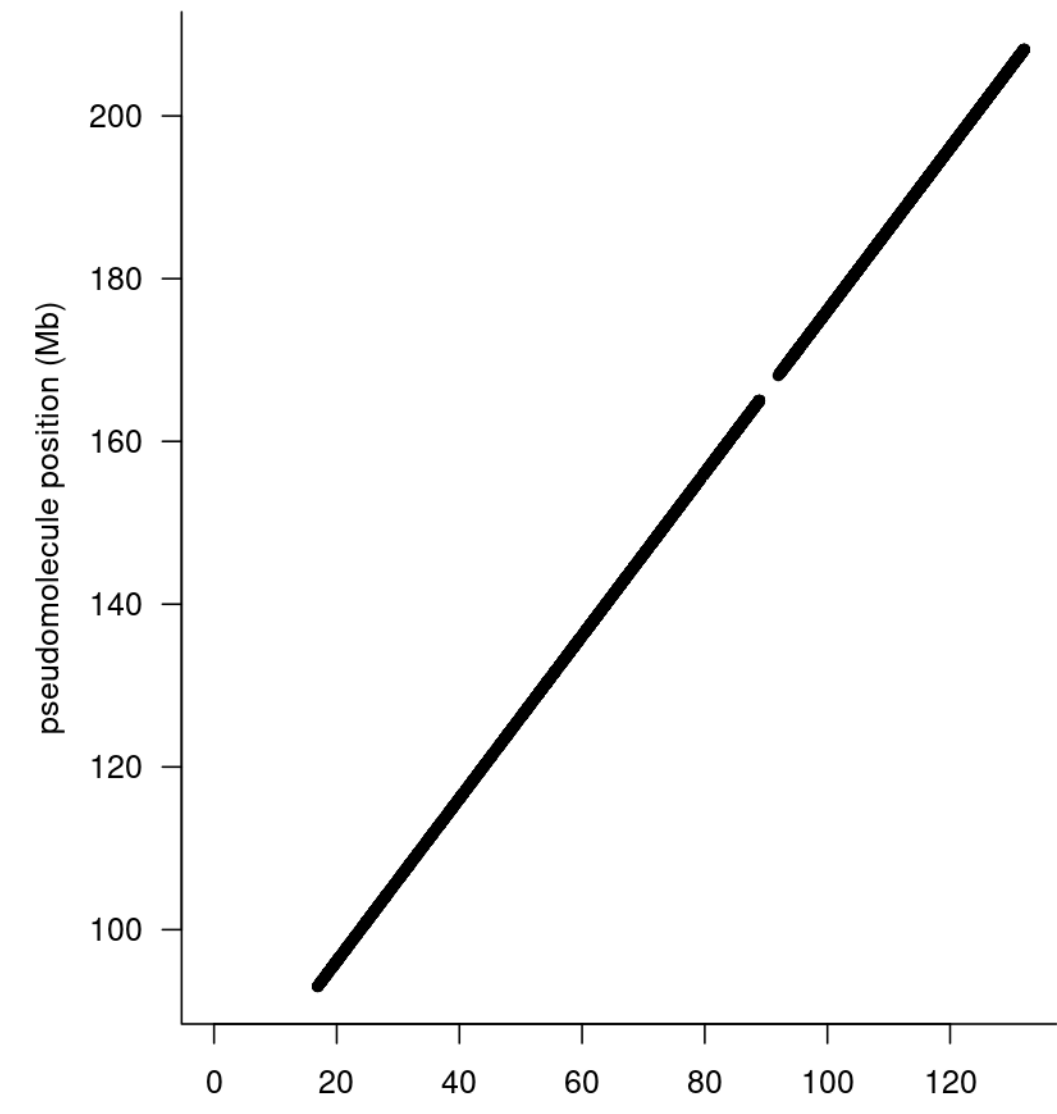

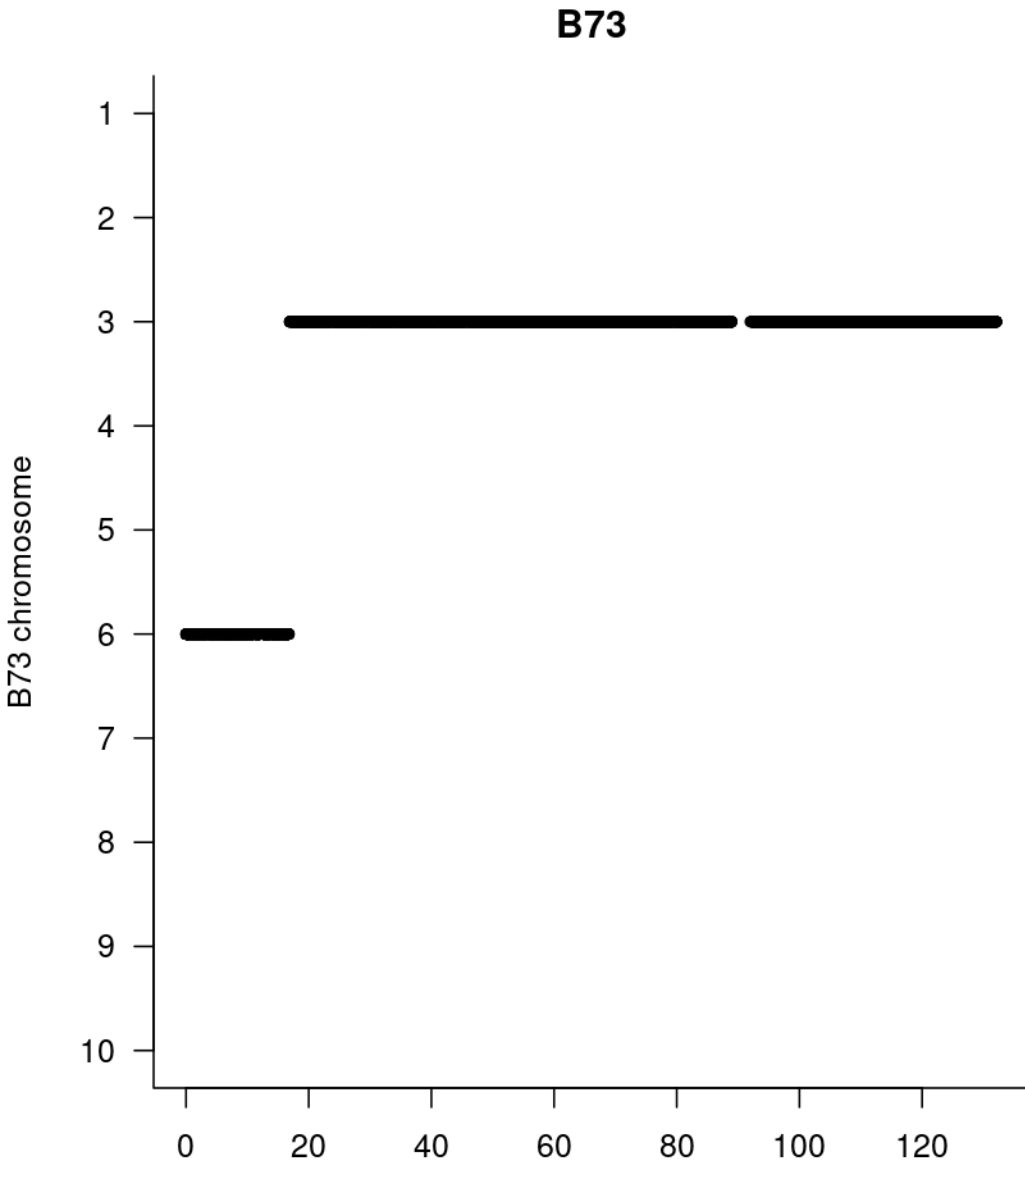

Intrascaffold physical Hi-C coverage

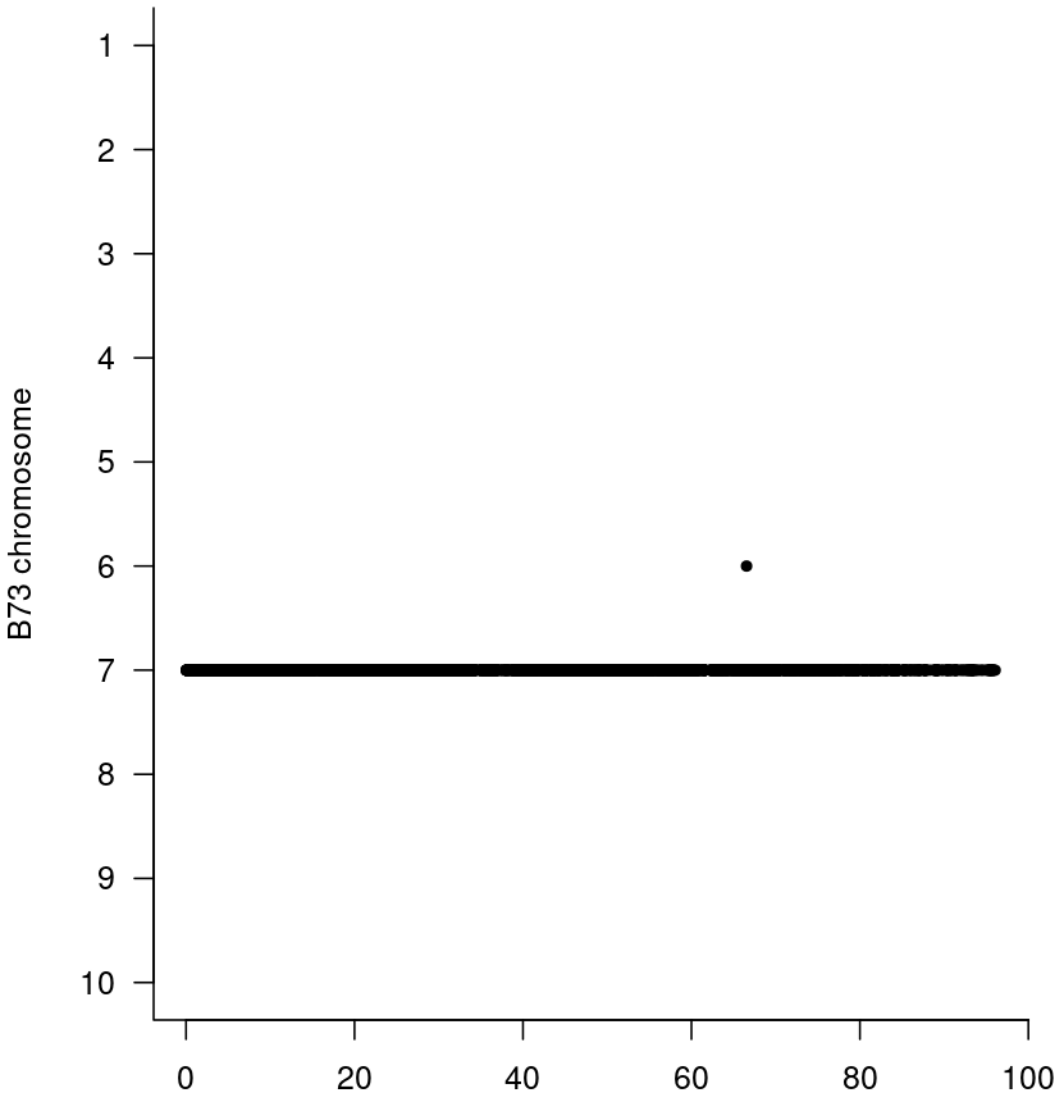

Hi-C expected vs. observed coverage

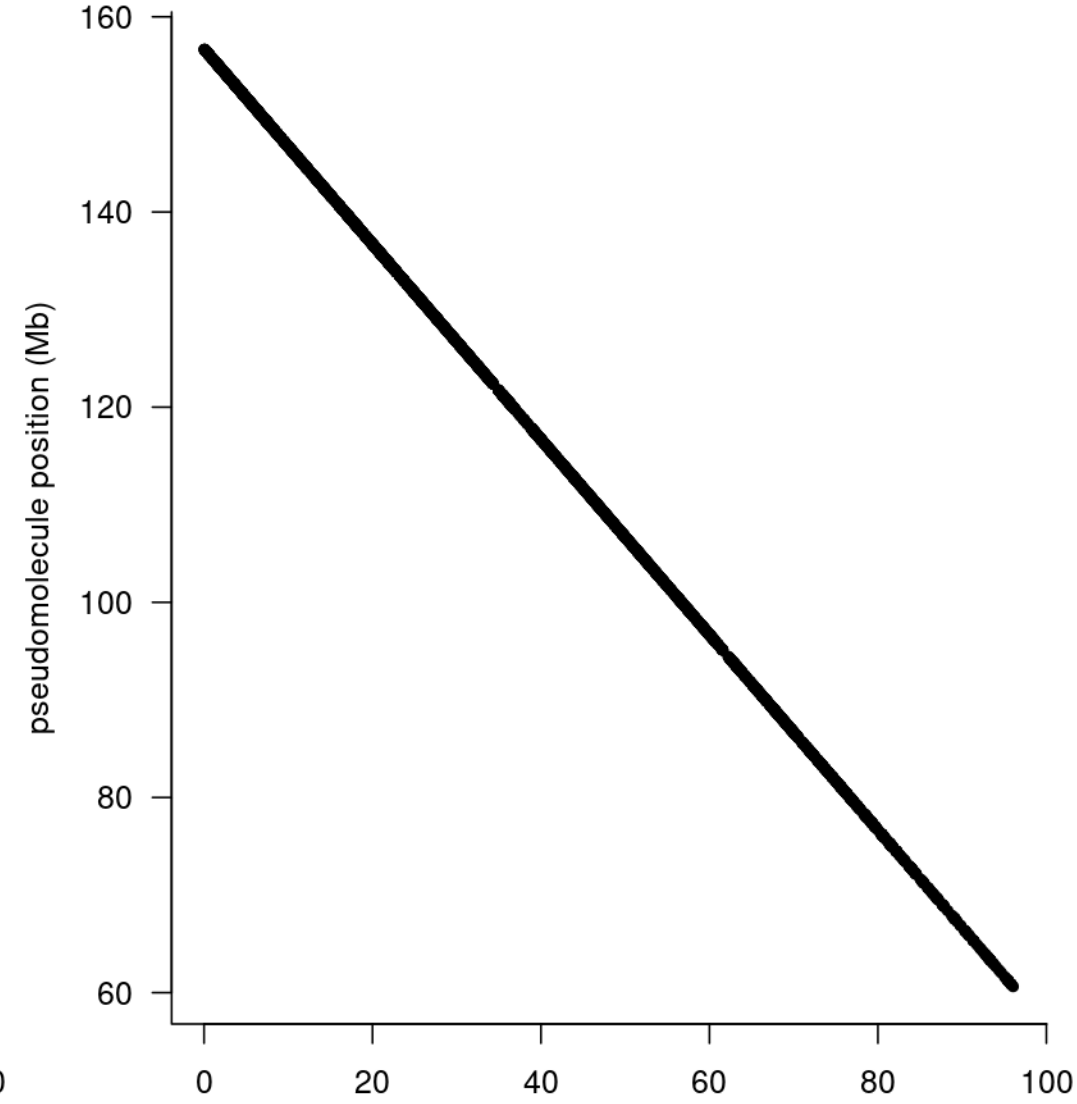

Physical positions of 1 kb single-copy tags
from major chromosome

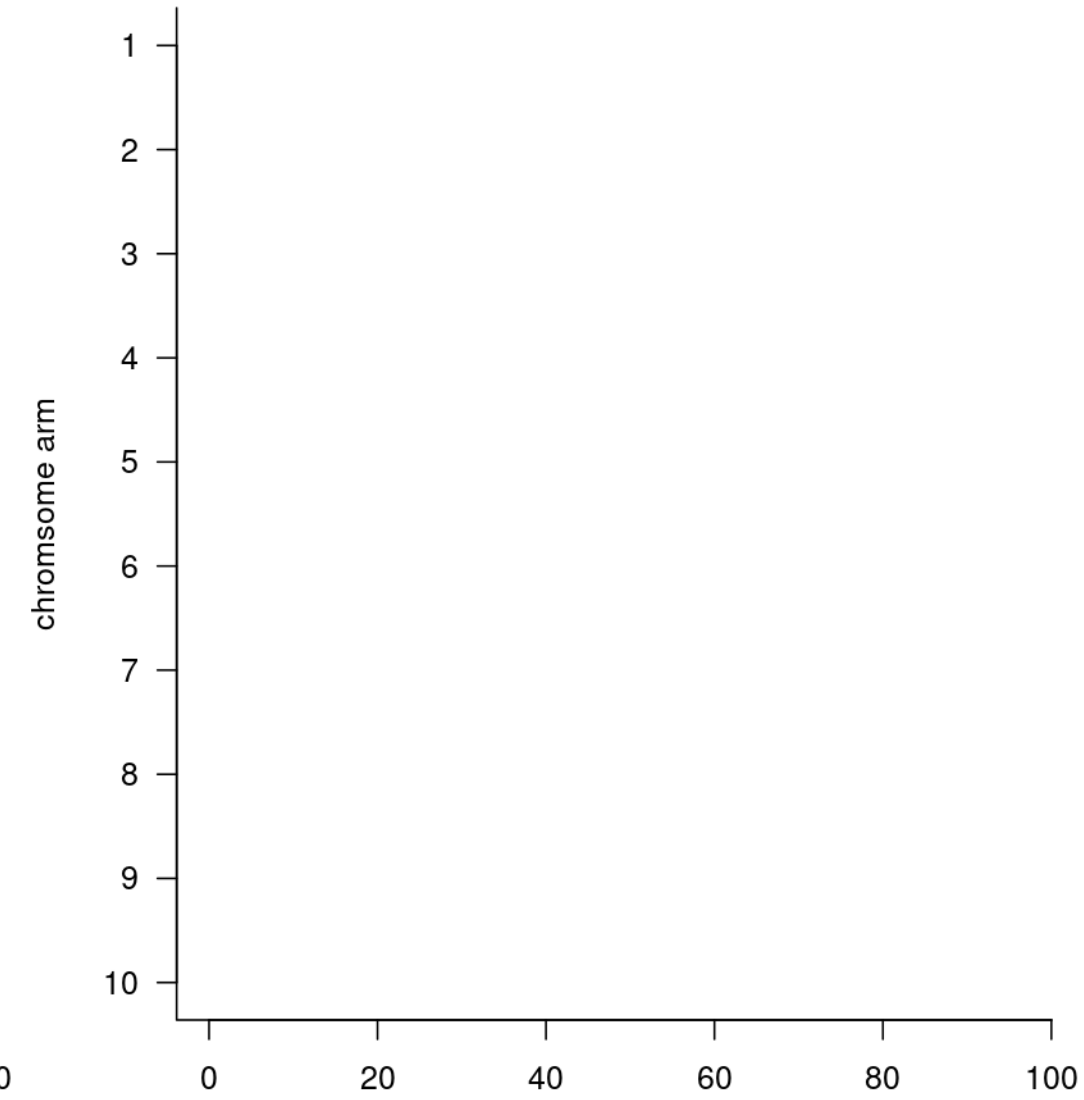

B73

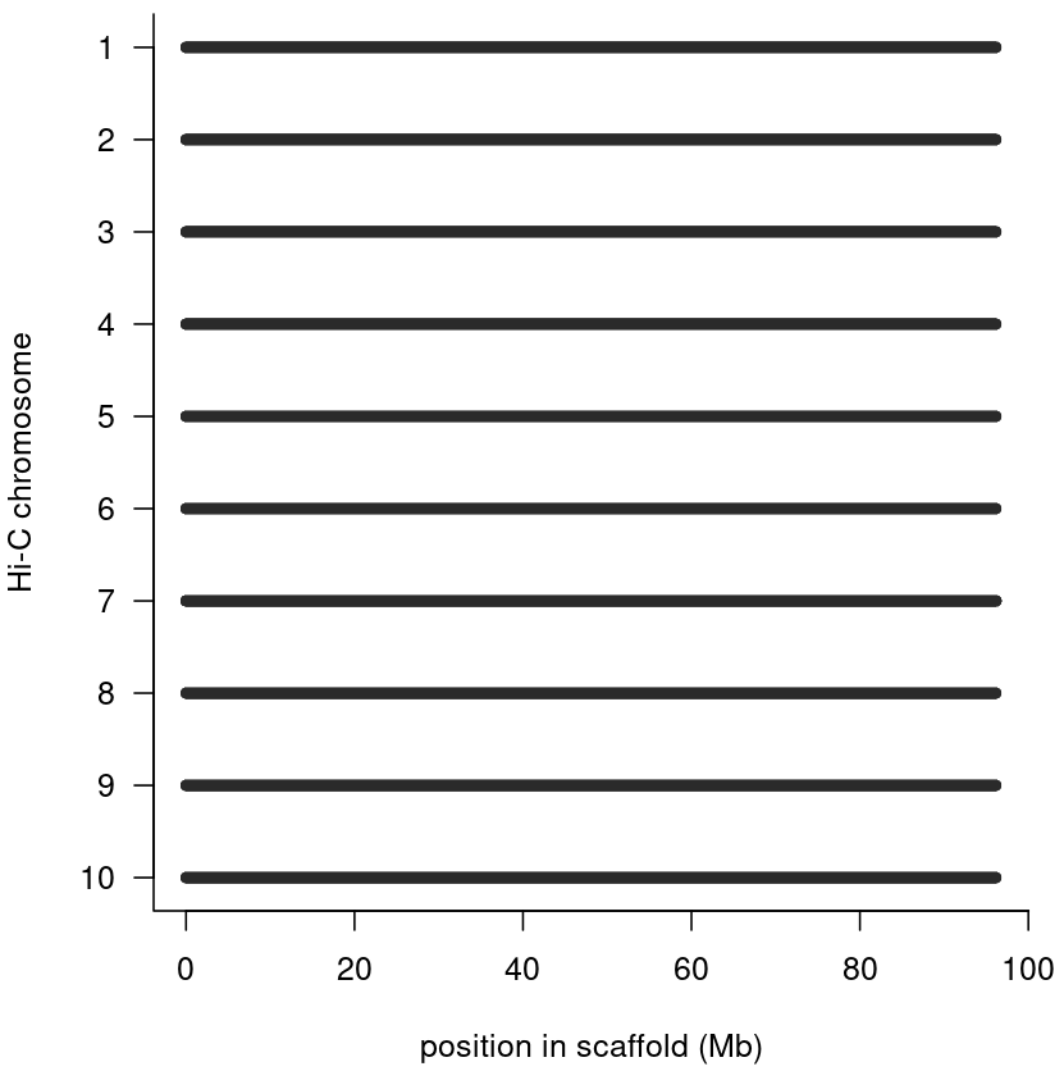

Physical positions of 1 kb single-copy tags
from major chromosome

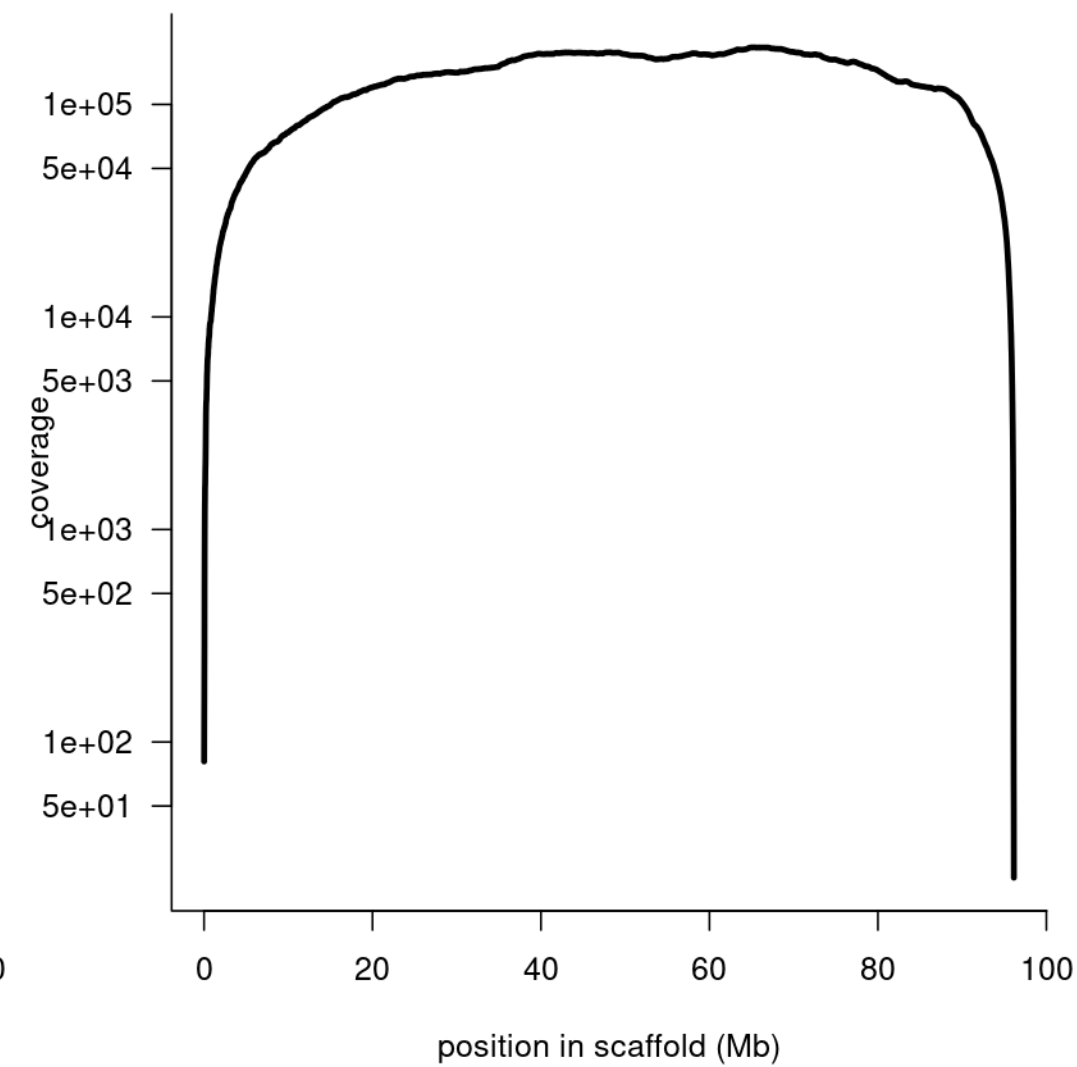

Hi-C based chromosome arm assignment

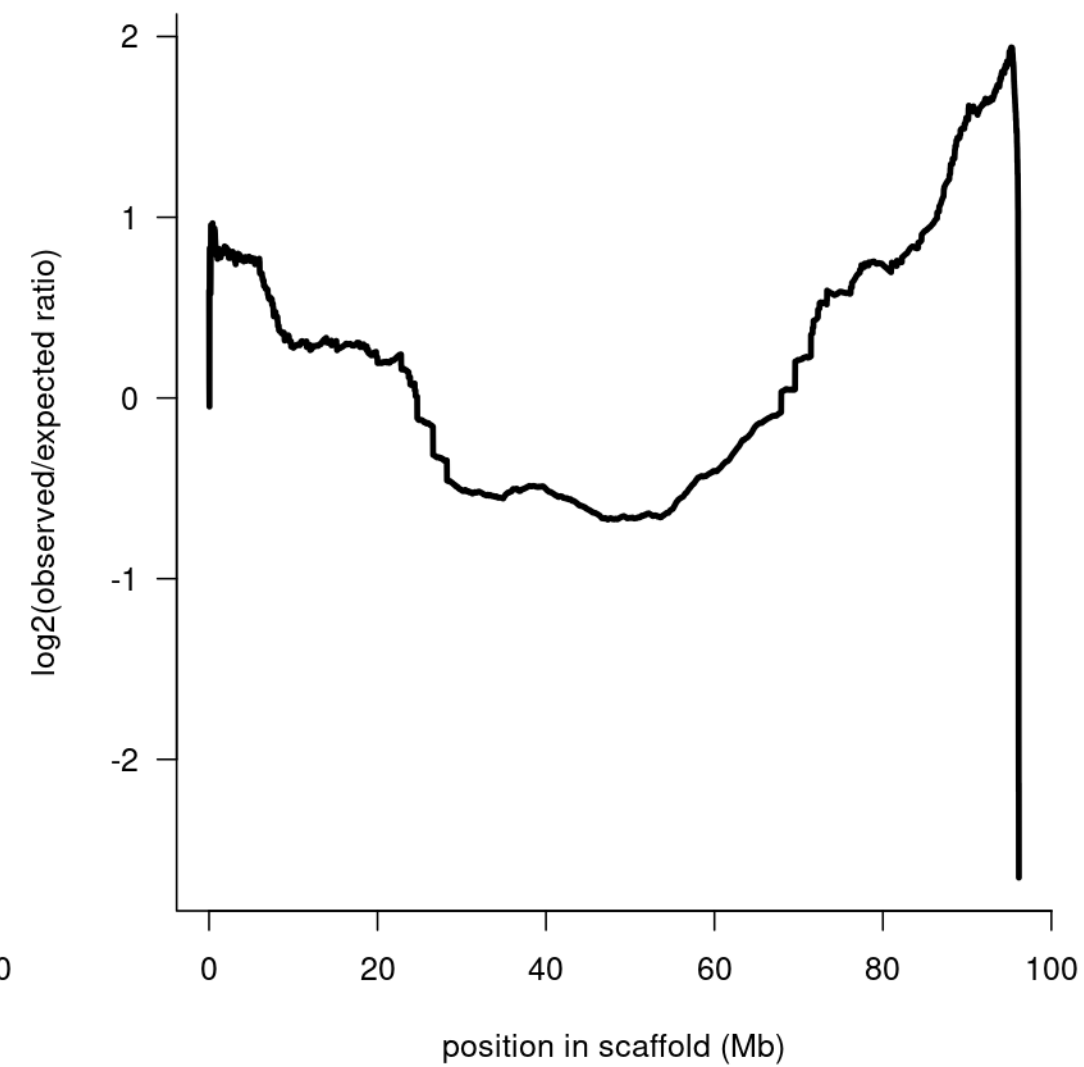

Interchromosomal Hi-C links

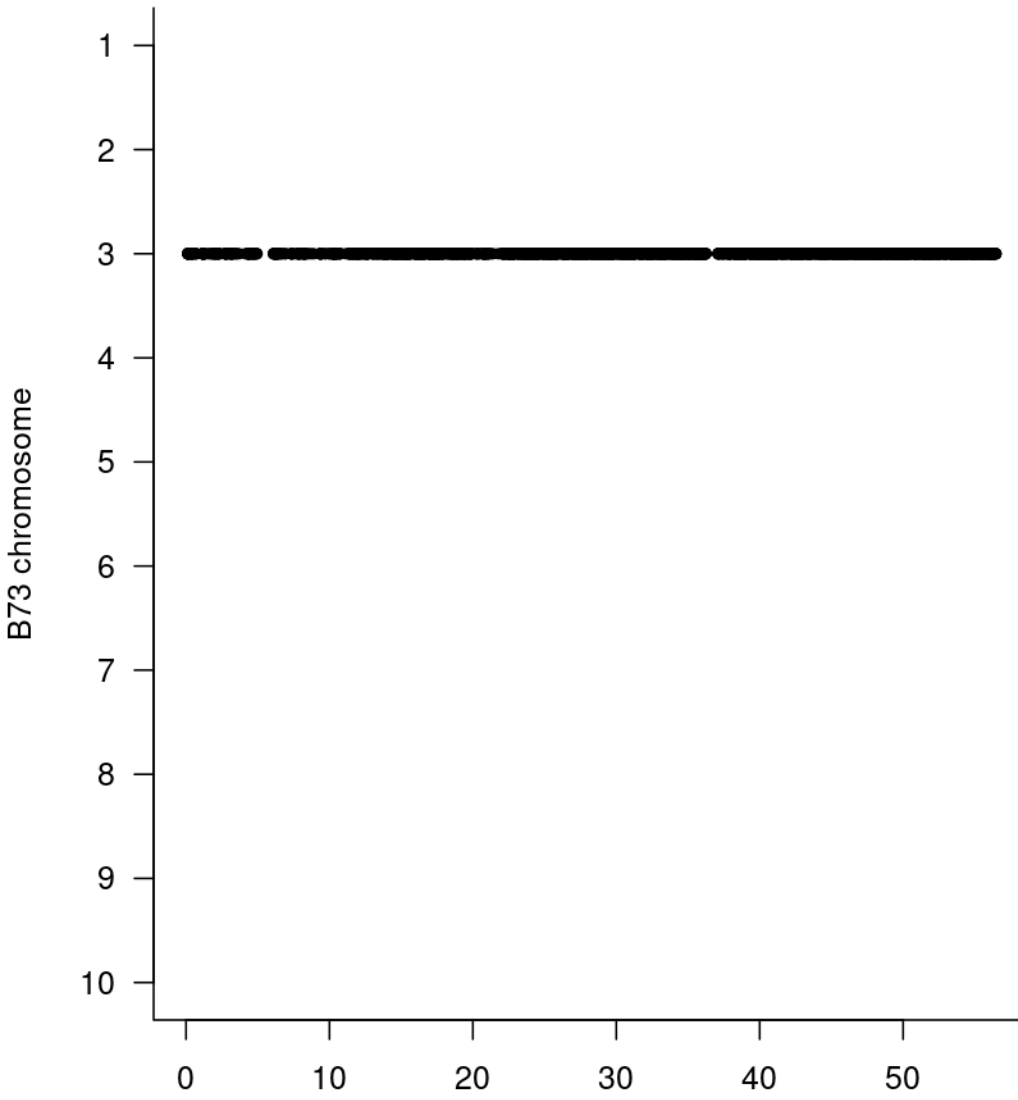

Intrascaffold physical Hi-C coverage

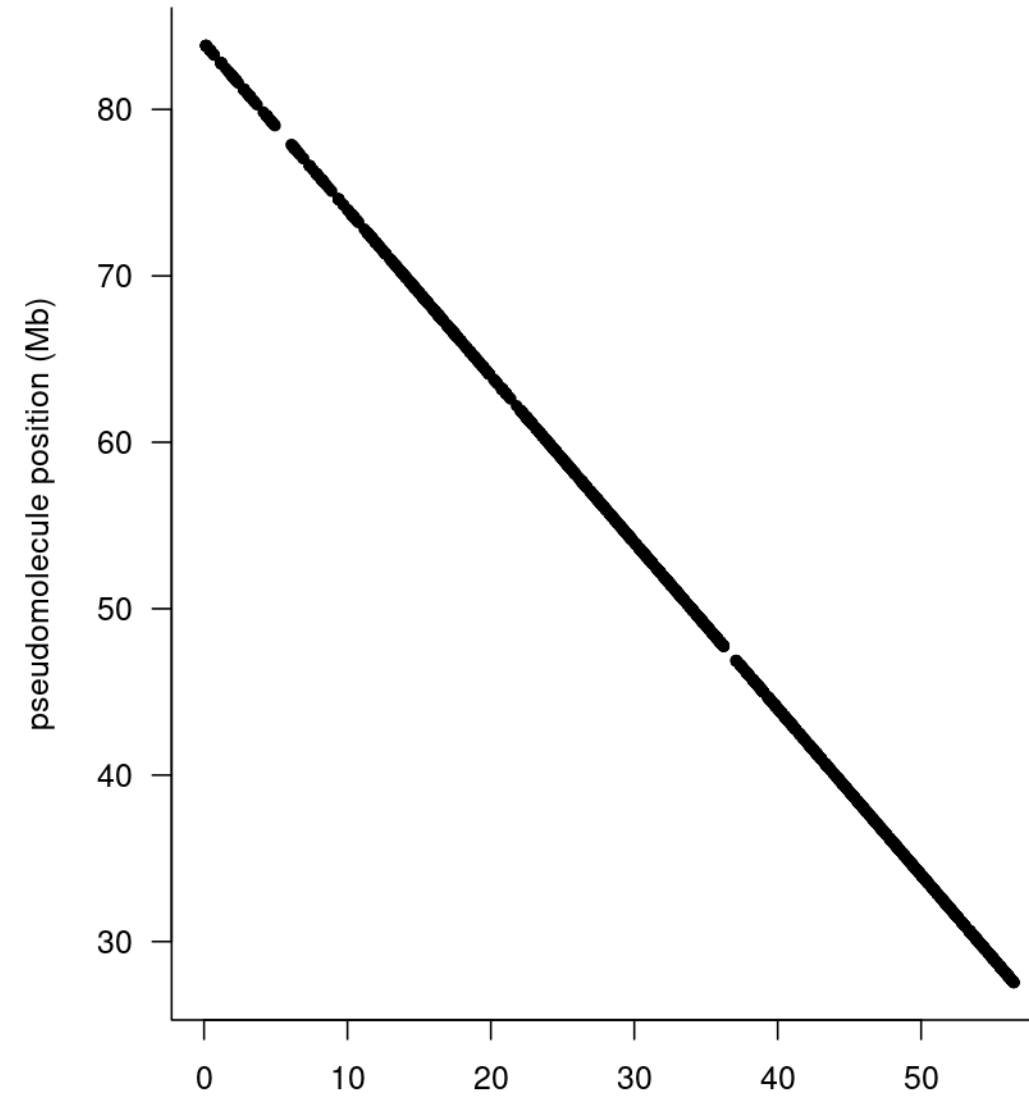

Hi-C expected vs. observed coverage

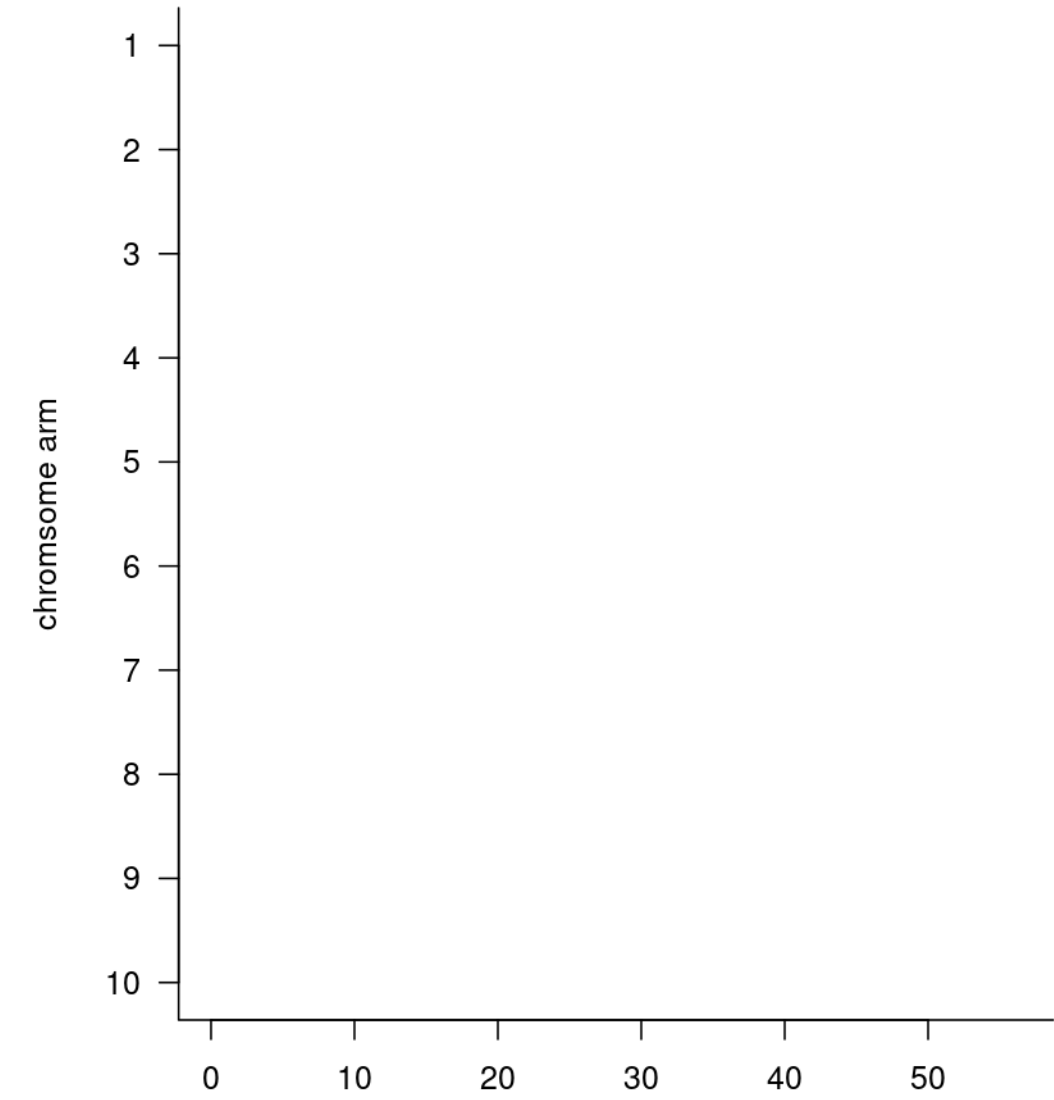

B73
